All prices CAD, plus 5% GST.

NETWORKING & WORKFORCE

Create space for connection.

Sponsor the place where conversations happen, the program that drives business matching, or the activity that connects employers with emerging talent.

OPEN NETWORKING LOUNGE PARTNER

Exclusive · 1 available · partner-only add-on

$18,000

An organizer-furnished lounge of approximately 20 × 20 ft, open to delegates across both days: about 16–20 soft seats with side tables, flooring where required, one power/charging point, two approved sponsor graphics and basic venue housekeeping. Includes **two full-conference passes** and two lounge-host credentials (lounge duties only). Final furniture, layout and venue services are confirmed before contracting.

Not included: business matching, VIP or buyer guest lists, meeting scheduling or product demonstrations. One literature stand may be agreed. Coffee or other refreshments in the lounge need venue approval and must respect coffee-break sponsorship rights.

SUPPLIER & B2B PARTNER

$15,000

Program naming partner

Program naming and recognition across facilitated networking and opt-in business matching. Scheduling and introductions depend on participant consent and availability; no buyer meetings are guaranteed.

WORKFORCE & EMERGING LEADERS

$15,000

Exclusive · 1 available

Exclusive program naming and a scoped employer-engagement activity. Program content and participant selection stay organizer-led. The agreed activity and recognition are recorded in your Package Schedule.

These are separate add-on activations. The Lounge Partner sponsors the physical space; the Supplier & B2B Partner sponsors the matching program. Naming rights for each are sold separately.

PROGRAMME & PARTICIPATION

Support the conversations that matter.

Session sponsorship and Supporter recognition can be booked on their own, without a partnership level. Community Participation is a scoped activation supporting approved access and participation costs.

OPPORTUNITY	BENEFITS	PASSES
Single Session Sponsor $5,000 · up to 6 available	For one eligible breakout or concurrent session: partnership acknowledgment, logo on room signage and holding slides, moderator thank-you and digital agenda recognition.	1
Track Partner $12,000 · by programme availability	Recognition across one defined programme stream, where the final programme sets one. Its sessions are not sold separately with overlapping recognition.	2
Supporter $3,500 · up to 15 total	Logo recognition on the supporter wall or sign, screen loop and event website. No exhibit space or exclusive rights, and not eligible for partner-only add-ons.	1
Indigenous-owned Business Supporter $2,000 · within the same 15 places	The same Supporter recognition and pass at an Indigenous-owned business rate. IndigiSEC confirms eligibility before booking.	1
Community Participation Partner $30,000 · 1 lead naming partner	Lead recognition supporting approved community and student access, travel and participation costs. Your agreement sets out eligible activities and separate delivery reporting.	By scope

Independent programming. Clear recognition.

Session and track sponsorships provide recognition, not a speaking slot, panel seat, speaker introduction, editorial control or attendee information. Session titles and allocations are confirmed before contracting. Participation assistance is allocated through organizer-approved criteria and gives no control over delegate selection.

HOSPITALITY & BESPOKE OPPORTUNITIES

Make your presence memorable.

Coffee and water breaks are provided to every delegate. Hospitality naming attaches to a specific break or gathering, and partners can add these to their package.

COFFEE BREAK SPONSOR

Recognition at the designated refreshment point and acknowledgment around your sponsored break. Four breaks across the two days, one sponsor each.

$5,000
per break · 4 available

VIP RECEPTION PARTNER

Custom quotation

Naming and branding for a separately scoped, invitation-only gathering, with an agreed host acknowledgment. Guest selection stays with IndigiSEC; attendance by named officials is not guaranteed.

BUSINESS / INDIGENOUS SME PAVILION

Custom quotation

A branded pavilion grouping participating businesses. The quotation sets the footprint, supported exhibitors, furniture, signage, passes and recognition. Separate from your own exhibit space.

All food and beverage service and branding at the BMO Centre needs venue coordination and approval. Coffee-break, lounge and reception rights are scoped together so the same service or branding right is never sold twice.
