IndigiSEC 2027 Attendee Terms and Admission Policy

Version 2.2 | Effective November 16, 2026 | February 17–18, 2027 | BMO Centre at Stampede Park, Calgary, Alberta

> **Plain-language notice.** These Terms apply to everyone who registers for or attends IndigiSEC 2027. By registering, checking in or entering the Event, you agree to them. Mandatory law and Venue safety requirements always prevail.

1. About These Terms

1.1 Agreement. These Attendee Terms and Admission Policy (the "Terms") apply to every person who registers for or attends IndigiSEC 2027, the Indigenous Defence and Security Conference (the "Event"), organized by IndigiSEC Defence & Security Inc., federal corporation no. 1830676-1 (the "Organizer"). The Event takes place February 17 and 18, 2027 at the BMO Centre at Stampede Park, Calgary, Alberta (the "Venue"), operated by Calgary Exhibition and Stampede Limited (the "Venue Operator").

1.2 Exhibitors, sponsors and included passes. Exhibitors, sponsors and booth personnel must also comply with the applicable Exhibitor and Sponsor Agreement, which governs commercial booth, sponsorship and package matters. A pass included in an exhibit or sponsorship package has no separate cash-refund value unless the package schedule expressly states otherwise, and cancelling or substituting the individual pass does not cancel or refund the underlying package. Separately purchased registrations are governed commercially by these Terms. Conduct, security, privacy, photography and admission rules in these Terms apply to every individual, however the pass was obtained.

1.3 Venue rules and approvals. Attendees must follow applicable Venue rules, posted capacity limits and lawful safety directions. Organizer permission does not replace any approval required from the Venue Operator or a public authority. The Venue Operator may inspect Event areas and restrict access or require evacuation where reasonably necessary.

1.4 Acceptance and records. These Terms are presented before purchase. You accept them by ticking the acceptance box at online checkout, by paying an Organizer invoice that references these Terms, or by registering through another Organizer-approved method that records acceptance. The Organizer records the version and date accepted and includes a link to, or copy of, these Terms with the registration confirmation. Consent to photography, promotional messages and sponsor contact sharing is optional, is collected separately, and is not a condition of registration.

2. Who May Attend

2.1 Eligible attendees. Subject to these Terms, the Event is open to employees of exhibiting and sponsoring companies; employees of other companies and organizations, including Indigenous-owned businesses and economic development corporations; leadership, staff and members of First Nations, Métis and Inuit governments and organizations; federal, provincial, territorial and municipal government employees; members of the Canadian Armed Forces, allied forces and public-safety personnel; invited Elders and Knowledge Keepers; academic professionals and students of recognized post-secondary institutions; accredited media; and invited VIPs, speakers and guests of the Organizer.

2.2 No membership required. No membership in any association is required to attend any part of the Event.

2.3 Rate eligibility. Discounted and complimentary rates are available only to eligible persons. The Organizer may request reasonable proof of eligibility, such as an employer or government email address, employer letter, military identification or student card. If eligibility cannot be confirmed, the Organizer will notify the registrant and offer a choice: pay the difference to the rate that applied on the registration date, or cancel with a full refund of amounts paid. If the registrant does not respond within 10 days of that notice, the Organizer may cancel the registration and refund amounts paid.

2.4 Age. Attendees must be 18 years of age or older, except participants aged 15 to 17 registered in an Organizer-approved youth or student program who satisfy that program's guardian-consent and safeguarding requirements and are accompanied by an approved adult chaperone. The Organizer will publish those requirements before accepting youth registrations. Persons under 15 may not attend the Event or enter the exhibit hall. No person under 18 may take part in move-in or move-out.

2.5 Right of admission. Admission is a revocable licence. The Organizer may refuse, cancel or revoke admission for safety or security concerns, material misrepresentation, harassment, unlawful conduct, material disruption, or serious conflict with the Code of Conduct in Article 6 or communicated cultural protocols. If a registration is refused or cancelled before the Event for reasons not caused by the attendee's breach, the registration fee and GST paid will be refunded in full. If admission is denied or revoked during the Event for reasons not caused by the attendee, the attendee may choose a refund of the registration fee and GST paid or a future-event credit. No refund applies where admission is refused or revoked because of the attendee's breach of these Terms.

3. Registration, Fees and Payment

3.1 Pre-registration. Attendees are strongly encouraged to register online in advance. Walk-in registration may be available, subject to capacity, at the Standard rate.

3.2 Registration rates. Rates are per person, in Canadian dollars, before 5% GST.

Category	Rate (CAD)	GST (5%)	Total payable	Who is eligible	When available
Early Bird	$499.00	$24.95	$523.95	Any eligible attendee under Section 2.1	Paid online by 11:59 p.m. MT, December 31, 2026, or invoiced under Section 3.3
Standard	$599.00	$29.95	$628.95	Any eligible attendee under Section 2.1	From January 1, 2027, including walk-in
Complimentary	$0.00	$0.00	$0.00	Canadian Armed Forces and allied military members; federal, provincial, territorial and municipal government employees; per First Nation, Métis or Inuit government, one Chief, one Council member and one Economic Development Officer	Throughout registration, with an Organizer-issued code after eligibility is verified

The inclusions for each category, including meals and sessions, are shown at checkout before payment.

3.3 Payment methods. Registration may be paid by credit card or digital wallet through the Organizer's online checkout, by Interac e-Transfer to registration@indigisec.com, or by electronic funds transfer (EFT) using the banking details on the Organizer's invoice. An invoice issued on or before December 31, 2026 holds the Early Bird rate if paid within 14 days of the invoice date; otherwise the rate in effect on the payment date applies. A registration paid by e-Transfer or EFT is confirmed when funds are received.

3.4 Fees and confirmation. GST and any other disclosed charges are shown before payment. Payment is due in full unless the Organizer has approved invoicing in writing. Paid registration is confirmed when payment is received. Registration does not guarantee access to a room that has reached lawful capacity.

3.5 Complimentary registrations. A complimentary registration requires an Organizer-issued code or written approval, is personal to the eligible person, and may be cancelled if eligibility cannot be verified. No payment, cancellation fee or other debt arises from a complimentary registration.

3.6 Accurate information. Attendees must provide true, complete and current registration information. Material misrepresentation, fraudulent credentials or deliberate impersonation may result in denial or cancellation without refund. Where conduct may involve fraud, a specific security threat or a legal reporting obligation, the Organizer may refer the matter to the appropriate authority.

3.7 Inclusions and catering. Access and meals are limited to those included in the registration category or approved program. Parking, accommodation and travel are not included. Parking is controlled by the Venue Operator and is first-come, first-served. Dietary requirements should be provided as early as

possible and preferably by January 8, 2027. Where catering can no longer be adjusted, a late registration or substitution may be admitted without a meal; this will be disclosed before payment is accepted.

4. Cancellations, Substitutions and Refunds

4.1 Cancellation by attendee. Cancellation requests must be sent in writing to registration@indigisec.com. Requests received by 11:59 p.m. Mountain Time (Calgary) on January 15, 2027 are eligible for a refund of the registration fee and GST paid, less a CAD $75 administration fee, which will never exceed the amount paid. After that time, registrations are non-refundable except where these Terms or applicable law provide otherwise, but an eligible substitution may be made under Section 4.3. No-shows are not refunded. Cancelling a complimentary registration creates no fee or debt.

4.2 Complimentary and package registrations. Unused complimentary registrations should be cancelled by January 29, 2027, and later changes reported promptly so catering can be finalized. Complimentary passes have no cash-refund value. A pass included in an exhibitor or sponsorship package is part of that package; cancelling the individual registration does not create a partial refund of the package unless the applicable Booking Form or package schedule expressly provides one.

4.3 Substitutions. A registration may be transferred at no charge to another eligible person until February 10, 2027, and may be approved on site afterwards. A registration purchased by an organization should be transferred to someone from the same organization and category. Individual, student, community and self-employed registrants may nominate any eligible replacement, subject to Organizer approval and the replacement's acceptance of these Terms. A substitution into a higher-priced category requires payment of the difference; a substitution into a lower-priced category does not create a refund. Substitutions of passes included in an exhibit or sponsorship package follow the Exhibitor and Sponsor Agreement.

4.4 Refund decisions and timing. The Organizer will acknowledge a cancellation or refund request within 5 business days and decide it within 10 business days of receipt. Approved refunds will be returned to the original payment method, or for e-Transfer or EFT payments to the paying account, within 30 days of approval or any shorter period required by law. Refunds include the GST charged on the refunded amount. Payment-provider processing times may affect when the credit appears after the Organizer has initiated the refund.

4.5 Which refund rules apply. Attendee-requested cancellations are governed by Section 4.1. Organizer cancellations, postponements and material changes are governed by Article 11. Statutory refund rights are governed by applicable law. Where more than one applies, the attendee receives the most favourable outcome.

5. Check-In, Badges and Identification

5.1 Check-in. All attendees must check in individually at the registration desk on first arrival. Mass badge pickups are not permitted.

5.2 Photo identification. All attendees must present current, valid, government-issued photo identification at initial check-in. Examples include a passport, driver's licence, military identification, Secure Certificate of Indian Status, Certificate of Indian Status, or recognized Métis citizenship card. The list is illustrative rather than exhaustive. Identification accepted for Event credentialing does not replace any identification required by law for alcohol service or another regulated activity.

5.3 Alternative identification. The Organizer's alternative identification and accommodation process is published on the Event website before registration closes. Attendees who may need it should contact registration@indigisec.com before travelling. The process will not weaken any required security screening.

5.4 Limited handling of identification. Identification is viewed to confirm identity at check-in. The Organizer does not routinely copy identification documents or record identification numbers, unless a specific security program requires it and that requirement has been disclosed in advance.

5.5 Badges. Only the official Event badge, worn visibly by the person named on it, permits admission. Badges are personal and may not be shared, lent or transferred except through an approved substitution.

5.6 Lost badges. A lost badge may be reissued once on presentation of photo identification. A CAD $25 replacement fee may apply.

6. Code of Conduct and Cultural Protocol

6.1 Respectful conduct. IndigiSEC is committed to a safe, respectful and harassment-free environment. Harassment, discrimination, intimidation, threats, violence and disrespect toward any person, culture, ceremony or community are prohibited. Concerns may be reported to Event staff or conduct@indigisec.com. The Organizer may remove a person for a serious or repeated breach; where practical, concerns will first be addressed through warning or corrective direction.

6.2 Indigenous protocol. The Event is held on the traditional territories of the Blackfoot Confederacy (Siksika, Piikani and Kainai), the Tsuut'ina, and the Îyâxe Nakoda (Bearspaw, Chiniki and Goodstoney) First Nations, and in Métis Nation of Alberta Districts 5 and 6. Attendees must follow protocols communicated by Elders, Knowledge Keepers and the Organizer.

6.3 Ceremonies. Only Organizer-coordinated ceremonies may take place, at approved times and locations. Burning or open-flame ceremonies require all required Venue and fire approvals. No attendee may independently start smudging, burning or another open-flame activity anywhere in the Venue.

6.4 Dress. Business casual is appropriate for civilians. Military members may attend in Dress of the Day. Traditional and cultural regalia is welcome.

6.5 Sessions. Some sessions may be held under the Chatham House Rule or closed to media, as announced by the Organizer. Attendees must respect those designations and any session-specific recording restrictions.

7. Security, Screening and Prohibited Items

7.1 Screening. Persons and bags may be subject to reasonable inspection by Event or Venue security as a condition of entry. Limited attendee information may be shared with police, protective-security personnel, government security officials, emergency services or the Venue where reasonably required for a specific security plan, protected-person visit, emergency, legal obligation or other lawful security requirement. This does not authorize routine undisclosed blanket government pre-screening. Refusal to comply with a lawful screening requirement may result in denial of entry.

7.2 Prohibited items. Attendees may not personally bring weapons of any kind; firearms or replicas; knives or other edged weapons; conducted-energy or pepper-spray devices; explosives, fireworks, flares or hazardous materials; unauthorized drones; unauthorized outside food, beverages or alcohol; illegal substances; cannabis for consumption on site; or any other item reasonably identified by Event or Venue security as a safety risk. This does not prevent authorized exhibitor personnel from transporting, handling or displaying a specifically approved Restricted Item under the Exhibitor and Sponsor Agreement and all applicable Venue, legal, security and insurance conditions. That approval is item-specific and does not authorize general attendee possession or handling. Live ammunition, live ordnance and explosives are prohibited. Lawful accommodation needs should be disclosed in advance where possible.

7.3 Displays and demonstrations. Display permission is item-specific. Attendees must not touch, enter, climb on, activate or operate displayed equipment unless the activity has been expressly approved by the Organizer and Venue Operator, is supervised by the exhibitor, and all required legal, security and insurance permissions are in place. General admission to IndigiSEC is not Controlled Goods Program screening, security clearance or authorization to receive controlled goods or controlled technical data.

7.4 Alcohol. Alcohol may be served only by the Venue Operator at designated functions in accordance with Alberta law. Identification accepted for Event accreditation may not satisfy legal identification requirements for alcohol service, and service may be refused where lawful requirements are not met.

7.5 CCTV. Closed-circuit security cameras operate throughout the Venue and are managed by the Venue Operator under its privacy practices.

7.6 Commercial activity. Unauthorized solicitation, promotional distribution, sales, signs, fundraising or private functions are not permitted. Activities in common areas or parking areas require advance Organizer and Venue approval where applicable.

7.7 Smoking and safety. Attendees must follow Venue restrictions on smoking, vaping and cannabis use and must not obstruct exits, aisles, doors, fire equipment or building systems, tamper with safety equipment, damage Venue surfaces, or create disruptive noise, odours, dust or debris.

8. Photography, Recording and Media

8.1 Photography preference. During registration, attendees are asked whether they consent to identifiable Event photography and video for IndigiSEC promotion, reporting and archival purposes. Attendees who opt out receive a visible opt-out identifier at check-in. The Organizer briefs its photographers, designees and accredited media under its control on that identifier and uses reasonable

measures to respect it. The Organizer cannot guarantee that unrelated attendees or third parties will not take photographs, and incidental appearance in wide-angle crowd or background footage may occur where complete exclusion is not reasonably practicable.

8.2 Raising a photography concern. An attendee who believes their preference was not respected may tell Event staff or email privacy@indigisec.com. The Organizer will respond promptly and, where reasonably practicable, remove or avoid publishing the identifiable image in Organizer-controlled channels.

8.3 Ceremonies. No person may photograph, film or record any ceremony, prayer or protocol without the express permission of the Elder or person leading it, communicated through the Organizer.

8.4 Exhibits and sessions. Photographing or filming an exhibit booth requires the booth representative's permission. Recording or live streaming sessions requires prior Organizer approval.

8.5 Exhibitor and sponsor personnel. An exhibitor's or sponsor's agreement with the Organizer does not give photography consent on behalf of its personnel. Each individual's own registration preference applies.

8.6 Media. Media must be accredited by the Organizer and comply with Event media guidelines, including attendee photography preferences and ceremony restrictions.

9. Privacy

9.1 Collection and use. The Organizer collects personal information needed to manage registration, payment, check-in, accreditation, security, catering, accessibility, communications, photography preferences and post-Event administration, in accordance with applicable privacy law and the IndigiSEC Privacy Policy at https://indigisec.com/privacy. The Privacy Policy describes the service providers used, retention and deletion, any processing outside Canada, access and correction rights, and how to make a complaint.

9.2 Service providers, protective security and authorities. Information may be shared where reasonably necessary with Calgary Exhibition and Stampede Limited as Venue Operator and with the Organizer's registration, credentialing, technology, payment, catering and security service providers. Limited information may also be disclosed to emergency services, law enforcement, protective-security personnel, government security officials or another competent public authority where required by law or reasonably necessary for a specific security plan, protected-person visit, safety or security incident, emergency or regulatory requirement. Attendee information is not routinely disclosed for general government pre-screening unless a specific program requires screening and that requirement has been disclosed in advance.

9.3 Badge scanning. Badge scanning is optional. If an attendee lets an exhibitor or sponsor scan their badge, only the attendee's name, job title, organization, business email address and business phone number are shared with that exhibitor or sponsor, for follow-up about its products, services or Event participation. A scan is not consent to ongoing promotional email. Exhibitors and sponsors must comply with Canada's Anti-Spam Legislation, including identifying themselves and including an unsubscribe mechanism. Attendees who do not wish to share this information should decline the scan.

9.4 Attendee lists. Attendee contact information is shared with sponsors only where the attendee has affirmatively opted in during registration. The Organizer does not sell attendee personal information.

9.5 Communications. The Organizer may send transactional messages needed to administer the Event. Promotional electronic messages are sent only with consent or another lawful basis and include an unsubscribe mechanism as required by Canada's Anti-Spam Legislation.

10. Health, Safety and Accessibility

10.1 Public health. Attendees must comply with public-health orders and Venue health measures in effect at the time of the Event. Attendees who are unwell are asked not to attend and may use an eligible substitution.

10.2 Emergencies. Attendees must follow directions of Event staff, the Venue Operator and emergency services, including evacuation directions.

10.3 Accessibility and accommodation. Accessibility, dietary, medical-food, service-animal, identification and other support requirements should be shared during registration or as early as possible. The Organizer will work with the attendee and the Venue Operator to accommodate them, and late requests will be met where reasonably possible. A support person accompanying an attendee with a disability may attend without an admission fee, subject to registration and capacity; meals or other purchased benefits must be confirmed separately. The Venue does not operate an allergen-free kitchen.

10.4 Personal property. Attendees are responsible for their personal belongings. To the extent permitted by law, the Organizer is not responsible for lost, stolen or damaged personal property.

10.5 Damage and incidents. An attendee is responsible for reasonable, documented repair or cleanup costs directly caused by their negligence, wilful misconduct or breach of these Terms. Report injury, damage, spills or safety concerns immediately to Event staff or Venue security.

11. Changes and Cancellation of the Event

11.1 Programme changes. Speakers, sessions, schedules and room assignments may change. Ordinary programme adjustments do not by themselves entitle an attendee to a refund; cancellation or a material change to the purchased service is governed by Section 11.2 and applicable law.

11.2 Materially different replacement. A replacement Event is materially different if it is virtual-only, is relocated outside the Calgary region, is postponed more than 90 days from the original Event dates, or materially reduces the purchased admission benefit. The Organizer will not postpone the Event more than 12 months from the original Event dates.

11.3 Notice and choice. The Organizer will notify registered attendees of any cancellation, postponement, relocation or material change and explain the options. Attendees will have at least 14 days from the notice to choose. For a replacement that is not materially different, an attendee who does not respond keeps their registration for the replacement. For a materially different replacement, an attendee may accept it, take a refund, or take a future-event credit; an attendee who does not respond receives a refund.

11.4 Refunds and credits. If an attendee declines a materially different replacement, or the Event is cancelled without a replacement, the Organizer will refund the registration fees and GST paid for undelivered services within 30 days after the response deadline or, if the attendee chooses, issue a future-event credit. A credit states its validity period. If no eligible replacement IndigiSEC event occurs within 12 months of the original Event dates, an unused credit will be converted to a cash refund on request.

11.5 Force-majeure deductions. Where cancellation results from a genuine event beyond the Organizer's reasonable control, a deduction from a refund may apply only where permitted by law and disclosed in the cancellation notice. Any deduction is limited to the attendee's proportionate share of documented, reasonable and non-recoverable Event costs, excludes profit, accounts for supplier refunds, insurance and other recoveries, permits no double recovery, and will be supported by a written calculation on request. Statutory rights prevail.

11.6 Travel and accommodation. The Organizer is not responsible for travel, accommodation or other attendee costs, and no hotel room-block commitment is passed on to attendees under these Terms. Refundable travel arrangements or appropriate travel insurance are recommended.

12. Liability

12.1 Risk and responsibility. Attendees must take reasonable care around crowds, equipment, loading areas and demonstrations. The Venue provides general building security, not dedicated protection for personal property. Nothing in these Terms excludes liability that cannot lawfully be excluded.

12.2 Limit. To the extent permitted by law, the Organizer's aggregate liability to an attendee arising from the registration or Event is limited to the registration fees paid by or for that attendee, and the Organizer is not liable for indirect or consequential losses. This limit does not apply to an express refund obligation under these Terms and does not exclude or limit liability for fraud, wilful misconduct, bodily injury or death caused by negligence, privacy or data obligations to the extent they cannot lawfully be limited, or any other liability that applicable law does not permit to be excluded or limited. No attendee may recover the same loss twice.

12.3 Consumer rights. Nothing in these Terms limits a right under the Consumer Protection Act (Alberta) or other applicable law that cannot be waived by agreement.

13. General

13.1 Governing law. These Terms are governed by the laws of Alberta and the federal laws of Canada applicable in Alberta. The courts of Alberta have jurisdiction, subject to any non-waivable statutory right.

13.2 Changes to these Terms. The version presented and accepted at registration governs the attendee's purchase. Necessary safety, access and operational instructions may be updated on notice, but a later version will not retrospectively change an agreed price or remove an accrued refund or other mandatory right.

13.3 Contact. IndigiSEC Defence & Security Inc., 3521 43 St SW, Calgary, Alberta T3E 3P4. Phone: +1 (587) 892-7195. These mailboxes are monitored by Organizer staff:
