IndigiSEC 2027 Exhibitor and Sponsor Agreement

Version 2.3 | November 16, 2026 | February 17–18, 2027 | Hall C and approved Event spaces | BMO Centre at Stampede Park, Calgary

> **Posted for reference.** This Agreement is published so exhibitors, sponsors and their personnel can review it. The binding agreement for each exhibitor or sponsor is the version signed with its Booking Form and Package Schedule and accepted in writing by IndigiSEC.

Organizer: IndigiSEC Defence & Security Inc. (federal corporation no. 1830676-1), 3521 43 St SW, Calgary, Alberta T3E 3P4, +1 (587) 892-7195. This Agreement applies to every accepted exhibitor and sponsor, together with its signed Package Schedule and, where applicable, the Government / Indigenous Government Rider.

Booking Form

Field	Details
Legal name of Exhibitor / Sponsor	
Operating / display name	
Address	
GST/HST number (if any)	
Indigenous ownership status	Optional; if stated, must be verifiable
Primary contact	Name / title / email / phone
Notice email for this Agreement	
Accounts payable contact	Name / email
Products and services to be displayed	
Package purchased	Name and Package Schedule date (Schedule 5)
Prospectus version relied on	Title and date
Exhibit Space	Booth number and size, or "Sponsorship only – no Exhibit Space"
Restricted Items?	Yes / No. If yes, Schedule 3 is required.
Government / Indigenous government body?	Yes / No. If yes, Schedule 4 applies.

Business licence	Licensing declaration (required from every Exhibitor, Section 20.4): ☐ Licence, permit or registration attached – number, issuer, expiry: _____ ☐ None required – written explanation attached

Organizer licensing review: ☐ Evidence accepted ☐ Written exemption approved ☐ Follow-up required Reviewer/date: _____

Fees

Item / package	Quantity	Fee (CAD, before GST)
Subtotal		
GST (5%)		
Total		

Payment schedule. 50% of Fees plus GST is due on acceptance. The balance is due January 17, 2027. A booking accepted on or after January 17, 2027 is payable in full on acceptance. Any approved exception, including a public-sector schedule, must state the actual due date or payment mechanism here: _____

Cancellation commitment (please read). If you cancel by 5:00 p.m. Mountain Time on December 17, 2026, you owe or forfeit 50% of your total Fees. If you cancel after that time, you owe or forfeit 100% of your total Fees, including any unpaid balance. These charges apply to the whole package, not only the deposit, and are reduced by any resale credit or avoided costs under Section 5.2.

Documents required before move-in. Certificate of insurance, and a business licence, permit, registration or approved written exemption, by January 8, 2027, accepted by the Organizer before move-in. See Article 20.

Booth services. Power, internet and other booth services are ordered and paid directly through the BMO Centre online portal.

By signing, the Exhibitor offers to participate on the terms of this Booking Form, the attached Terms and Conditions (Version 2.3), the Package Schedule and the Schedules.

Conditions of sale. The Agreement becomes binding when IndigiSEC accepts it in writing. The booking is confirmed when the payment then due has cleared. The certificate of insurance, licensing declaration and evidence, Restricted Item approvals and other operational approvals are conditions of move-in, booth operation and the affected activity; they are not conditions of booking acceptance. IndigiSEC may withhold or revoke move-in or activity approval where a required item is missing, deficient or not approved. All participation remains subject to the Venue agreement, the Calgary Stampede Event Planning Guide, applicable law and IndigiSEC's written approvals.

Authority and electronic communications. The person signing for the Exhibitor confirms they are authorized to bind the Exhibitor, and the Exhibitor consents to receiving notices, invoices and this Agreement electronically.

Terms and Conditions

1. Definitions and Interpretation

1.1 Definitions. "Agreement" means the accepted Booking Form, these Terms and Conditions, the Package Schedule, the other Schedules, the Exhibitor Manual and applicable Venue Rules. "Event" means IndigiSEC 2027 and its approved move-in, Event and move-out activities. "Exhibit Space" means the booth, activation or other space assigned to the Exhibitor. "Exhibitor" means the accepted corporation, Nation, government body or other entity, and includes a Sponsor where the context permits. "Exhibitor Personnel" includes its employees, representatives, guests, invitees and contractors. "Fees" means the amounts stated in the Booking Form, before GST. "Official Contractor" means a supplier appointed by the Organizer or Venue Operator for Event services. "Package Schedule" means the dated schedule in the form of Schedule 5 describing the purchased package. "Restricted Items" has the meaning in Section 11.1. "Sponsor" means an Exhibitor purchasing sponsorship deliverables. "Venue" means the BMO Centre at Stampede Park. "Venue Operator" means Calgary Exhibition and Stampede Limited. "Venue Rules" means applicable Venue policies, operational requirements and lawful directions for the Event, including the Calgary Stampede Event Planning Guide as updated under Section 25.4.

1.2 Order of precedence. Applicable law and mandatory Venue safety, access and operational requirements prevail. Schedule 4 prevails for an eligible government or Indigenous government Exhibitor. A signed Booking Form or Package Schedule may vary these Terms only where it expressly identifies the variation. Otherwise these Terms prevail over the other Schedules and the Exhibitor Manual. The Attendee Terms govern individual admission, conduct, security, privacy and photography matters for Exhibitor Personnel; this Agreement governs the commercial exhibit and sponsorship relationship. The Organizer cannot authorize an activity that requires separate Venue or public-authority approval.

1.3 Interpretation. Headings are for convenience. "Including" means including without limitation. Amounts are in Canadian dollars. Times are Mountain Time (Calgary). References to legislation include amendments and regulations. Time is of the essence for operational deadlines.

1.4 Documents supplied before acceptance. The Organizer will make the Exhibitor Manual, the applicable Venue Rules and the Package Schedule available before accepting the booking.

2. Application, Acceptance and Eligibility

2.1 Application and acceptance. A signed Booking Form is an offer to participate. The Agreement becomes binding when the Organizer issues written acceptance by countersignature, email confirmation or invoice. The booking is confirmed for operational purposes only once the payment then due has cleared. Specific exhibits, Restricted Items, activations and services may remain subject to separate approvals under this Agreement.

2.2 Late bookings. For a booking received after a published deadline, the Organizer will tell the Exhibitor in writing before accepting payment which deliverables, services or approvals are no longer available or are subject to late approval.

2.3 Right to refuse. The Organizer may refuse an application, or require correction, restriction or removal of an exhibit, display, demonstration or person, suspend a demonstration or close a booth, for objectively reasonable grounds including safety, illegality, sanctions, export control, cybersecurity, privacy, material misrepresentation, harassment, discrimination, material disruption, communicated cultural protocol, or a lawful Venue or public-authority requirement. If an application is refused before the Event for reasons not caused by the Exhibitor's breach, Fees and GST paid for the refused participation will be refunded.

2.4 Eligibility representations. The Exhibitor represents that the Booking Form information is accurate; any statement of Indigenous ownership or leadership can be substantiated on request; it is not owned or controlled by a person subject to Canadian sanctions; and it will obtain all permits, registrations and authorizations required for its activities.

2.5 Credentialing and protective security. The Organizer and Venue Operator may conduct reasonable due diligence and credentialing for Event administration, safety and security. The Exhibitor must provide booth-staff names by the Schedule 1 deadline. Limited information may be shared with law enforcement, protective-security personnel, government security officials, emergency services or another public authority where required by law or reasonably necessary for a specific security plan, protected-person visit, safety or security matter, emergency or regulatory requirement. General participation is not subject to undisclosed blanket government pre-screening.

3. Exhibit Space

3.1 Permission to exhibit. The Organizer grants a non-exclusive, non-transferable and revocable permission to use only the assigned Exhibit Space during approved access periods for the purpose stated in the Booking Form. This is not a tenancy or right of exclusive possession. Assignments remain subject to the approved floor plan and any required Venue approvals.

3.2 Relocation. If a Venue, fire-authority or public-authority requirement requires relocation, resizing or reconfiguration, the Organizer will give prompt notice and offer reasonably comparable space. A material reduction in purchased deliverables is governed by Article 6.

3.3 No sharing or subletting. The Exhibitor may not assign, sublet, share or allow another business to use the Exhibit Space, or promote another business, without prior written Organizer approval and any required Venue approval. Approved multi-Nation or multi-business pavilions must identify all participating entities in advance.

3.4 Allocated space only. Distribution, solicitation, signage, sampling, demonstrations, hospitality or private functions outside the assigned Exhibit Space require advance Organizer approval and any required Venue approval. Common areas and parking areas are not part of an Exhibit Space unless expressly stated.

3.5 Venue approval failure. If a required Venue approval for the purchased Exhibit Space or a material deliverable is not obtained for reasons not caused by the Exhibitor, the Organizer will first offer a reasonably comparable substitute. If none is available or accepted, the Exhibitor may cancel the affected portion and receive a refund of the Fees and GST paid for it, using the allocated value in the Package Schedule.

4. Fees and Payment

4.1 Fees and taxes. The Exhibitor must pay the Fees in the Booking Form plus GST and any other applicable taxes.

4.2 Payment schedule. Unless the Booking Form states otherwise, 50% of Fees plus GST is due on acceptance and the balance is due January 17, 2027. A booking accepted on or after January 17, 2027 is payable in full on acceptance. Fees for additional services ordered through the Organizer are due when ordered. A government or public-sector payment arrangement applies only if the Booking Form or Schedule 4 states the actual due date or payment mechanism.

4.3 Conditions of move-in. The Exhibitor may not move in, occupy Exhibit Space, operate a booth or receive access credentials until (a) all Fees then due have cleared, unless a written public-sector arrangement applies; (b) its certificate of insurance and its business licence, permit, registration or approved written exemption have been accepted under Article 20; and (c) any required Restricted Item and activity approvals have been issued.

4.4 Late payment. Overdue amounts bear interest at 1.5% per month, compounded monthly (19.56% effective annual rate), from the due date until paid. If an amount remains more than 15 days overdue after written notice, the Organizer may treat the Exhibitor as cancelled under Article 5, subject to any written public-sector payment arrangement.

4.5 Venue and third-party services. Power, internet and other booth services ordered directly through the BMO Centre online portal or an Official Contractor are billed to and payable by the Exhibitor on that supplier's terms. If the Venue Operator or an Official Contractor instead invoices the Organizer for a service ordered by or for the Exhibitor, the Exhibitor must reimburse the documented amount within 10 days of the Organizer's invoice, and in any event before move-in. Any Organizer administration fee must be disclosed in writing before the service is confirmed. The Exhibitor must also reimburse documented third-party charges actually imposed on the Organizer because of the Exhibitor's orders, changes, damage or breach.

4.6 Set-off. Except where prohibited by law or modified by Schedule 4, the Organizer may set off an undisputed amount owed by the Exhibitor against an amount payable by the Organizer to the Exhibitor.

4.7 Payment methods. Fees may be paid by EFT using the banking details on the Organizer's invoice, by Interac e-Transfer to registration@indigisec.com quoting the invoice number, or by card through the payment link on the invoice. Payment is treated as received when funds clear in the Organizer's account.

5. Cancellation, Downsizing and No-Show

5.1 Notice and timing. Cancellation or reduction must be emailed to registration@indigisec.com. A notice received by 5:00 p.m. Mountain Time on a business day is effective that day; a notice received later, or on a non-business day, is effective on the next business day. A notice received by 5:00 p.m. Mountain Time on December 17, 2026 falls within the 50% charge. The Organizer will acknowledge receipt by email within one business day. A delivery failure or automated rejection means the notice has not been received, and an Exhibitor who receives no acknowledgement should resend and call the Organizer at +1 (587) 892-7195.

5.2 Cancellation charges. For an effective cancellation on or before December 17, 2026, 50% of total Fees is retained or becomes due. After December 17, 2026, 100% of total Fees is retained or becomes due. These amounts are a genuine pre-estimate of the Organizer's loss from its non-cancellable Event commitments and are not intended as a penalty. The Organizer will credit against them (a) the net proceeds actually received from reselling substantially the same Exhibit Space or sponsorship to an unrelated replacement, less reasonable incremental sales, administration and fulfilment costs, and (b) costs the Organizer avoids because of the cancellation, such as services not yet ordered. The Exhibitor will never pay more than its total Fees, and the Organizer will not recover the same loss twice. GST is applied or adjusted as required by the Excise Tax Act.

5.3 Downsizing. A reduction in Exhibit Space or sponsorship level is a cancellation of the reduced portion. The charge is the percentage under Section 5.2 that applies on the effective notice date, multiplied by the difference between the original Fees and the Fees for the reduced package, before GST. The Organizer will confirm the calculation in writing.

5.4 No-show for physical Exhibit Space. This Section applies only to an Exhibitor assigned physical Exhibit Space. Such an Exhibitor is a no-show only if it fails to occupy its space by the move-in or setup deadline published for that space in the Exhibitor Manual. A no-show is treated as a cancellation after December 17, 2026, and the Organizer may reassign the space. A Sponsor without Exhibit Space is not subject to booth occupancy, staffing or no-show provisions; it is responsible only for the material and deliverable deadlines in its Package Schedule.

5.5 Restricted Item refusal. Restricted Items must be disclosed under Section 11.2. Where a Restricted Item was disclosed on time and accurately but a required approval is refused by the Organizer, Venue Operator, insurer or competent authority for reasons not caused by the Exhibitor's breach, the parties will first try to agree a reasonable substitute display. If no commercially reasonable substitute is available, the Exhibitor may cancel the affected exhibit component and receive a proportionate refund or credit for the unavailable portion. This right does not apply to prohibited items, inaccurate or late disclosure, or refusal caused by failure to meet approval conditions.

5.6 Personnel substitutions and included passes. Booth or sponsor personnel may be substituted under the Event credentialing rules with prior Organizer approval where required. Cancelling or substituting an included individual pass does not cancel the underlying package and does not create a partial refund unless the Package Schedule provides one. Each individual remains subject to the Attendee Terms. Substitution of the Exhibitor entity requires written agreement and any necessary Venue approval.

6. Changes, Postponement or Cancellation of the Event

6.1 Reasonable changes. The Organizer may make reasonable changes to the programme, schedule, speakers, hours, layout, rooms or format. If a change materially reduces purchased deliverables, the Organizer will first offer reasonably comparable substitute deliverables, which the Exhibitor may accept or decline under Section 6.3.

6.2 Materially different replacement. A replacement Event is materially different if it is virtual-only, relocates outside the Calgary region, is postponed more than 90 days from the original Event dates, or materially reduces the purchased exhibit or sponsorship opportunity. The Organizer will not postpone

the Event more than 12 months from the original Event dates without the Exhibitor's written consent.

6.3 Notice and election. The affected party must promptly notify the other and take commercially reasonable steps to mitigate. Where the Organizer offers a postponed, relocated or materially different replacement, or substitute deliverables, its notice will state the terms and give the Exhibitor at least 14 days to elect. For a materially different replacement or substitute, the Exhibitor may accept it, take a credit, or take a refund under Section 6.4. Silence is treated as an election for a refund.

6.4 Refund or credit. Refunds are paid within 30 days after the election deadline. If the Venue Operator cannot provide the contracted Venue for the Event period, or cancellation is caused by the Organizer's avoidable default, the Organizer will refund Fees and GST paid for undelivered benefits with no deduction. Benefits already delivered, valued at their allocated value in the Package Schedule, are not refunded.

6.5 Force-majeure deductions. If the Event is cancelled for a Force Majeure Event and not rescheduled, an Exhibitor choosing a refund receives Fees and GST paid less its share of eligible costs. Eligible costs are documented, reasonable and non-recoverable Event costs actually incurred, excluding profit. They are reduced by supplier refunds, insurance recoveries and avoided costs, allocated among exhibitors and sponsors in proportion to Fees, and supported by a written calculation provided with the final reconciliation. No double recovery is permitted.

6.6 Credits. An Exhibitor may instead choose a credit of all Fees paid toward a future IndigiSEC edition. The credit states its validity period. If no eligible replacement IndigiSEC event occurs within 12 months of the original Event dates, an unused credit will be converted to a cash refund on request.

6.7 Unpaid balances on cancellation. If the Event is cancelled or the Exhibitor validly rejects a materially different replacement, instalments not yet paid are no longer due. Any amount owing by either party is limited to the net result of the reconciliation under this Article, which the Organizer will issue within 60 days of the cancellation or election. Express refund obligations under this Article are payment obligations and are not reduced by Section 21.4.

6.8 Force majeure. Neither party is liable for delay or failure, other than payment obligations already due, to the extent caused by an unforeseen event beyond its reasonable control that prevents or materially impedes performance, including extreme weather, fire, flood, public-health emergency, labour disruption, war, terrorism, civil disturbance, government restriction, or loss or unavailability of the Venue for reasons beyond the Organizer's reasonable control (a "Force Majeure Event"). Inadequate sales, non-payment by the Organizer, avoidable Organizer default, or loss of the Venue caused by the Organizer's breach of its Venue obligations are not Force Majeure Events.

6.9 Other costs. The Organizer is not liable for the Exhibitor's travel, accommodation, shipping, production or marketing costs, except where liability cannot lawfully be excluded. No hotel room-block commitment is passed on to the Exhibitor under this Agreement.

6.10 Evacuation and interruption. The Exhibitor must comply immediately with lawful Venue or public-authority evacuation or access restrictions. A temporary interruption does not by itself create a refund right; a material failure to deliver purchased benefits remains subject to this Article.

7. Venue Rules and Exclusive Services

7.1 Compliance. The Exhibitor and Exhibitor Personnel must comply with applicable Venue Rules and the Exhibitor Manual.

7.2 Exclusive services. Certain services may be supplied only by the Venue Operator or its designated providers, including electrical, telecommunications and internet, plumbing and utility or gas connections, banner hanging, rigging, hoists, rigging points, attachment hardware, lifts, truss and related rigging labour, security and medical services, food and beverage, parking, and any other service the Venue identifies as exclusive. Where rigging is required, the Exhibitor must contract with the Venue Operator's designated exclusive rigging provider. Sponsors purchase recognition rights only and do not acquire a right to supply or resell an exclusive Venue service.

7.3 External suppliers. Where an external audio-visual, show-services, décor or other provider is permitted, any disclosed Venue surcharge or access requirement will be communicated before the service is confirmed.

7.4 Ordering deadlines. Booth services are ordered through the BMO Centre online portal by the deadlines it publishes. Other orders and changes must meet Schedule 1 and the Exhibitor Manual. Late requests may be refused or subject to documented Venue or supplier surcharges.

7.5 Parking. Parking is not included, is controlled by the Venue Operator, and is generally first-come, first-served.

8. Exhibitor Contractors

8.1 Approval. External personnel and services require prior Organizer approval and any required Venue approval. Approval never permits an unauthorized provider to perform a Venue-exclusive service.

8.2 Requirements. Each Exhibitor contractor must comply with applicable law, workers' compensation and occupational health and safety requirements, Venue Rules and the Exhibitor Manual, and must carry any separate insurance reasonably required for its services. The Exhibitor must ensure that the engagement and conduct of its contractors and personnel do not cause or materially contribute to a labour dispute or disruption involving personnel engaged at the Venue.

8.3 Removal. The Organizer or Venue Operator may require removal of an Exhibitor contractor or person for an objectively reasonable safety, security, legal, labour-relations or operational reason. A Venue-directed removal requiring immediate action may be carried out immediately. Otherwise, where practicable, the Organizer will give notice and a reasonable opportunity to correct the issue. To the maximum extent permitted by law, the Organizer is not responsible for resulting Exhibitor loss except to the extent caused by its own breach, negligence or wilful misconduct.

9. Move-In, Move-Out and Shipping

9.1 Booked access. Hall C move-in is February 16, 2027 from 08:00, by assigned access slot. Palomino rooms, Meeting Rooms 110–112 and Palomino Pre-Function are booked for Event use on February 17–18 only, unless separate early access is confirmed. The Exhibitor must follow the access time published for its assigned space.

9.2 No early teardown. Exhibit Space must remain staffed and substantially displayed during published exhibit hours. Unapproved teardown before the official close may result in a CAD $1,000 fee, reflecting the reasonably anticipated labour, security, sponsor, attendee-experience and operational disruption it causes, and may affect future participation. The fee does not apply to an approved departure, an evacuation, a Venue or public-authority direction, or a safety or medical emergency. It does not limit recovery of separately documented direct damage or Venue charges actually caused by the Exhibitor and remains subject to applicable law.

9.3 Move-out. All people, exhibit materials, freight, waste and equipment must be removed by 22:00 on February 18, 2027, unless the Exhibitor Manual states an earlier deadline. Access beyond the contracted period requires written Venue approval.

9.4 Property left behind. Property remaining after the move-out deadline may be removed, stored or disposed of as permitted by Venue Rules and law. The Exhibitor is responsible for reasonable documented resulting costs.

9.5 Shipping. The Venue is not automatically the Exhibitor's consignee. The Exhibitor must use designated freight arrangements or have an authorized recipient present for the booked delivery. Early or unattended deliveries require written approval.

9.6 Imports. The Exhibitor is responsible for customs clearance, duties, taxes, permits and Canada Border Services Agency requirements for imported goods.

9.7 Minors. No person under 18 may take part in move-in or move-out.

10. Booth Construction, Conduct and Operations

10.1 Display standards. Displays must comply with the Exhibitor Manual, approved floor plan and applicable fire and accessibility requirements and must not obstruct aisles, exits, fire equipment, doors or building systems.

10.2 Signage. Signs and graphics must be professionally produced. Materials may not be affixed to Venue surfaces except by approved methods or providers. The Organizer or Venue Operator may require removal of material that is unsafe, unlawful, materially disruptive or inconsistent with approved Event standards.

10.3 Sound and nuisance. Audio, demonstrations and activities must not materially disturb neighbouring events or produce unauthorized noise, odours, dust, debris or vibration. Sound checks require prior Venue approval where required. The Organizer or Venue Operator may regulate sound levels and require immediate reduction or cessation where reasonably necessary.

10.4 Music. Live or recorded music requires Organizer approval and any required music licensing. Entandem, SOCAN, Re:Sound or other music-licensing fees charged to the Organizer because of the Exhibitor's music or entertainment are payable by the Exhibitor as a documented pass-through charge.

10.5 Professional conduct. Exhibitor Personnel must comply with the Code of Conduct in Article 6 of the Attendee Terms, including prohibitions on harassment, discrimination and disrespect of Indigenous cultures, ceremonies or persons.

10.6 Photography by Exhibitors. An Exhibitor may not photograph or record another exhibitor's booth, products or personnel without consent. Professional production activity requires prior Organizer approval and any required Venue approval.

10.7 Staff identification. All Exhibitor Personnel must wear an Event badge. Badges are non-transferable. Current government-issued photo identification must be presented at initial credential pickup under the published credentialing procedure.

11. Restricted Items: Defence Equipment, Weapons, Controlled Goods, Drones and Vehicles

11.1 Restricted Items. Restricted Items include firearms and replicas; edged or other weapons; ammunition, inert or training ordnance and explosives simulators; lasers above Class 2; drones and uncrewed systems; vehicles, engines, generators, fuel, pressurized cylinders and significant lithium battery systems; hazardous materials; and any controlled goods, technology or technical data under Canadian law.

11.2 Disclosure and approval. For bookings accepted on or before December 1, 2026, Restricted Items must be disclosed on Schedule 3 by December 1, 2026. For later bookings, any Restricted Item material to the proposed exhibit must be disclosed before final acceptance or any non-refundable payment for that display, and no later than January 15, 2027 unless an exceptional written extension is granted. No new Restricted Item request will be accepted after January 15, 2027 without express written approval. No Restricted Item may be brought to the Venue until all required written approvals are obtained. Approvals may carry item-specific, handler-specific, transport, storage, security, photography and insurance conditions and may be withdrawn if law, safety, security, Venue or insurance requirements change or approval conditions are not met.

11.3 Firearms and weapons. Only item-specific approved displays are permitted. Firearms and related displays must comply with the Firearms Act (Canada) and its current regulations on storage, display, transportation and handling, any applicable requirements of the Chief Firearms Officer for Alberta, police or other competent authority, and all Venue and insurer conditions. No live ammunition, live ordnance or explosives may enter the Venue. Approved firearms, replicas, inert or training items must be unloaded where applicable and secured, locked, rendered inoperable where required, continuously attended, or otherwise stored and supervised as the written approval specifies. Public handling is prohibited unless separately approved in writing by the Organizer and Venue Operator and conducted under the approved supervision and security plan.

11.4 Controlled goods and export control. The Exhibitor is solely responsible for ensuring its controlled goods and controlled technical data are not disclosed, examined, possessed or transferred except to persons lawfully authorized to receive them. General admission, an Event badge or an attendee identification check is not Controlled Goods Program screening, security clearance or authorization to receive controlled goods or technical data. An Exhibitor displaying controlled goods must submit with Schedule 3 a written access-control plan stating who may examine the items or data, how visitors are verified and supervised, and how incidents are reported, and must operate that plan throughout the Event.

11.5 Drones. Static display requires written approval. Indoor flight demonstrations during public Event hours are prohibited. Any approved setup-only flight must comply with Venue safety requirements and all applicable aviation authorizations; overflight of attendees or employees is prohibited.

11.6 Vehicles, machinery and aircraft. Tanks, aircraft, vehicles and other heavy displays require item-specific approval before shipment. The Exhibitor must provide dimensions, weight and point loads, delivery method, fuel or battery details, safety measures and permits. Static-display approval does not authorize powered operation, landing or take-off.

11.7 Authority action. The Organizer is not liable for seizure, restriction or removal of a Restricted Item by law enforcement, the Venue Operator or another competent authority, except where a refund or credit is expressly available under Section 5.5 or Article 6.

12. Fire, Health and Safety

12.1 Fire code. Booth materials, drapes, carpets and décor must comply with applicable fire requirements. Flame-retardancy certification must be available where required.

12.2 Open flame and pyrotechnics. Open flame, candles, pyrotechnics, smoke or haze effects, fuel-burning appliances and flammable substances require all necessary Organizer, Venue and fire-authority approvals.

12.3 Occupational health and safety. The Exhibitor is responsible for the health and safety of its personnel and contractors during move-in, Event operations and move-out.

12.4 Capacity and batteries. The Organizer may limit personnel or attendees in an area to comply with lawful capacity. High-capacity batteries and proposed charging must be disclosed and operated only under approved conditions. Indoor electric-vehicle charging is prohibited unless expressly approved.

12.5 Incidents. Injury, damage, spills, equipment incidents or security concerns must be reported immediately to Event management and Venue security.

13. Food, Beverage, Sampling and Alcohol

13.1 Venue catering. Food, beverage and alcohol are subject to Venue exclusivity and approval. An Exhibitor must not bring, distribute, sell or sample food or beverage without prior approval through the Organizer.

13.2 Indigenous cultural and sampling requests. Requests involving Indigenous cultural or traditional food, ceremonial requirements, Nation or community showcase sampling, or product sampling should be submitted to the Organizer as early as possible for Venue review. Any restriction, fee or service requirement will be disclosed before the activity is confirmed. No exception is effective until approved in writing.

13.3 Hosted functions. Hosted functions, menus, guest estimates and sampling requests are due January 8, 2027, unless an earlier operational deadline is communicated. The Organizer will disclose applicable guarantees, attrition terms, service charges and other Venue charges before confirming an order. The Exhibitor is responsible for Venue-imposed guarantees, attrition charges and late-change surcharges attributable to its hosted function or sampling order.

13.4 Alcohol. Alcohol may be served only by the Venue Operator in accordance with Alberta law and Venue Rules. Exhibitors may not bring their own alcohol.

14. Contests, Draws and On-Site Sales

14.1 Contests and draws. Any contest, draw, giveaway or prize promotion requires prior Organizer approval and must comply with applicable law. A paid raffle or similar gaming activity requires any applicable Alberta licence.

14.2 On-site sales. On-site sales, paid draws, merchandise, souvenirs or programmes require prior Organizer approval and any required Venue approval, licence or permit. Before approval, the Organizer will disclose any Venue commission, fee, reporting basis or sales restriction. No unauthorized sale may occur in a common area.

14.3 Giveaways. Giveaways must be lawful and reasonably safe and may not include weapons, replicas, hazardous items, food or beverages unless separately approved.

15. Sponsorship

15.1 Package Schedule. Each booking must have a dated Package Schedule, signed or accepted in writing by both parties, in the form of Schedule 5. It identifies the prospectus version relied on and records the purchased deliverables, their timing and location, and the allocated value of each major deliverable. If the Package Schedule and the prospectus differ, the Package Schedule governs.

15.2 Delivery. The Organizer will use commercially reasonable efforts to deliver the purchased deliverables.

15.3 Missed deliverables. If a material deliverable becomes unavailable for reasons not caused by the Sponsor, the Organizer will notify the Sponsor promptly and offer a reasonably comparable substitute. Within 10 business days of that notice, the Sponsor may accept the substitute or choose a credit or refund of the deliverable's allocated value; silence is treated as a choice of refund. Where the shortfall results from an Event-wide change, cancellation or Force Majeure Event, Article 6 applies instead.

15.4 Sponsor materials. Sponsors must provide logos, copy and other materials by the deadlines in Schedule 1 or the Package Schedule. The Organizer is not responsible for omissions or errors caused by late or non-conforming materials, and a deliverable missed for that reason is not refunded.

15.5 Scope. Recognition or exclusivity applies only to the specific Event asset, category and period in the Package Schedule and remains subject to Venue rights and approvals. Sponsorship does not include building naming, common-area occupation, Venue-controlled signage, network naming, attendee registration data, speaking rights, procurement outcomes or exclusive service supply unless the Package Schedule expressly states otherwise and the Organizer is able to grant it.

15.6 No endorsement. Sponsorship does not imply endorsement by the Organizer, an Indigenous Nation or organization, a government body or the Venue Operator.

16. Intellectual Property, Branding and Media

16.1 IndigiSEC marks. After written acceptance, the Exhibitor may use approved IndigiSEC marks only under the Organizer's brand guidelines and solely to describe its participation.

16.2 Venue identification. Exhibitor material that identifies the Event location must refer to the "BMO Centre at Stampede Park." BMO Centre, Calgary Stampede or other Venue marks may be used only with the rights-holder's prior written approval. Materials must be corrected or removed if reasonably required by the rights-holder or Venue Operator.

16.3 Exhibitor marks. The Exhibitor grants the Organizer a non-exclusive, royalty-free licence to use supplied names, logos and approved content for Event promotion, signage, publications, websites, apps and post-Event reporting, and warrants it has the right to grant that licence.

16.4 Event media. The Organizer and its designees may photograph or record the Exhibit Space, signage, products, displays and branding for Event promotion, reporting and archives, subject to ceremony restrictions, controlled or confidential material restrictions and privacy obligations. Identifiable photography or video of any individual, including Exhibitor Personnel, is subject to that individual's photography preference under Section 8.1 of the Attendee Terms. The Exhibitor's signature on this Agreement is not photography consent on behalf of its personnel.

16.5 Indigenous cultural and intellectual property. Indigenous designs, symbols, languages, ceremonies or traditional knowledge may not be used without appropriate permission from the relevant community or rights-holder.

17. Privacy and Data

17.1 Compliance. Each party must comply with applicable privacy and anti-spam law for Event-related personal information.

17.2 Badge scanning and lead retrieval. Badge scanning is optional for attendees. A scan gives the Exhibitor only the attendee's name, job title, organization, business email address and business phone number, for follow-up about the Exhibitor's products, services or Event participation. A scan is not consent to ongoing promotional email. The Exhibitor must identify itself in every commercial electronic message, include a working unsubscribe mechanism, honour unsubscribe and deletion requests, keep records of the consent it relies on, and comply with Canada's Anti-Spam Legislation. Attendee lists are provided only for attendees who opted in, and only where the Package Schedule includes them.

17.3 No sale and data security. The Exhibitor may not sell or rent attendee data, must apply reasonable safeguards, and must promptly notify the Organizer of any material loss of or unauthorized access to Event-related personal information.

17.4 Exhibitor Personnel information. The Organizer may collect and use Exhibitor Personnel information for registration, credentialing, protective security, Event administration and communications, and may disclose it to the Venue Operator and relevant service providers. Limited information may be disclosed to law enforcement, protective-security personnel, government security officials, emergency

services or another public authority where required by law or reasonably necessary for a specific security plan, protected-person visit, safety or security incident, emergency or regulatory matter. General participation is not subject to undisclosed blanket government pre-screening.

18. Indigenous Cultural Protocol

18.1 Respect for protocol. The Event is held on the traditional territories of the Blackfoot Confederacy (Siksika, Piikani and Kainai), the Tsuut'ina, and the Îyâxe Nakoda (Bearspaw, Chiniki and Goodstoney) First Nations, and in Métis Nation of Alberta Districts 5 and 6. Exhibitors must follow cultural protocols communicated by the Organizer, Elders and Knowledge Keepers.

18.2 Ceremonies and smudging. Ceremonies and any burning or open-flame activity must be coordinated through the Organizer and comply with Venue and fire requirements. Booth-level independent smudging or burning is not permitted unless specifically approved.

18.3 No recording of ceremony. No ceremony, prayer or protocol may be photographed, filmed or recorded without express permission of the person leading it, communicated through the Organizer.

19. Security

19.1 General security. The Venue provides general building and park security. Event-specific security, ushering and medical support will be arranged as required. The Exhibitor remains responsible for safeguarding its property and information.

19.2 Dedicated security. Dedicated booth, equipment or VIP security must be arranged through the Organizer and Venue Operator and may be charged to the Exhibitor. Security personnel must meet applicable licensing and approval requirements.

19.3 Screening. Exhibitor Personnel and their bags may be subject to reasonable Event or Venue security screening. Law enforcement may participate where required by law or for a specific safety or security matter.

20. Insurance and Business Licence

20.1 Organizer's insurance. The Organizer maintains Event insurance required by its Venue agreement and is responsible for naming Calgary Exhibition and Stampede Limited, The City of Calgary and any other Venue-required parties on that policy or certificate. The Organizer does not represent that its policy covers the Exhibitor's liabilities, property, personnel or activities.

20.2 Exhibitor's liability insurance. Every Exhibitor must maintain commercial general liability insurance meeting Schedule 2, with a limit of at least CAD $2,000,000 per occurrence or any higher written activity-specific limit, covering move-in, Event days and move-out, and naming IndigiSEC Defence & Security Inc. as an additional insured. The Exhibitor is not required under this Agreement to name the Venue Operator or The City of Calgary on its certificate unless IndigiSEC later gives a written, broker-approved requirement for a particular activity.

20.3 Certificate of insurance. The Exhibitor must submit its certificate of insurance (COI) to registration@indigisec.com by January 8, 2027, or the written deadline given for a later booking. The Organizer will review it within 5 business days and identify any deficiency in writing. A deficient COI must be corrected by February 5, 2027, or within 5 business days of the deficiency notice for a later booking. The Exhibitor may not move in or operate until its COI is accepted.

20.4 Business licence, permit or registration. Not every Exhibitor needs a municipal business licence. With its COI, the Exhibitor must provide one of: (a) a business licence, permit or registration that applies to its business or Event activity, such as a City of Calgary licence or permit where one is required, or a provincial, federal or Nation-issued business, charitable or not-for-profit registration; or (b) an approved written exemption, being a short explanation acceptable to the Organizer of why none is required. Every Exhibitor must complete the licensing declaration in the Booking Form; government bodies may simply declare their status and need not provide further evidence. The Organizer may reject expired, incomplete or inaccurate evidence, and acceptance is a condition of move-in. The Organizer will not refuse an Exhibitor solely because it lacks a document that applicable law does not require. Separately, alcohol, tobacco or vaping products, food and sampling, weapons and replicas, controlled goods, drones, demonstrations and other regulated activities require their own approval under Articles 11 and 13 and Section 20.5, together with any licence or permit specific to that activity.

20.5 Activity-specific review. A standard COI is not approval of any activity. Weapons or replicas, vehicles, aircraft, drones, demonstrations, contractors, batteries, hazardous operations, hosted functions, liquor exposure and other higher-risk activities require separate review and may require higher limits, endorsements or specialist coverage stated in writing for that activity. Failure to provide it may result in withholding approval or move-in for the affected activity.

20.6 Government self-insurance. A government or public body may satisfy this Article through a lawful self-insurance or statutory risk arrangement, evidenced by a letter acceptable to the Organizer and Venue Operator, under Schedule 4.

20.7 Property and business losses. Liability insurance should not be assumed to cover the Exhibitor's property, cargo, travel, lost profits, business interruption, cancellation or non-appearance. The Exhibitor decides whether to buy additional coverage for those risks.

21. Indemnity, Release and Limitation of Liability

21.1 Indemnity. Except as modified by Schedule 4, the Exhibitor will indemnify and hold harmless the Organizer, the Venue Operator and The City of Calgary, and their directors, officers, employees, volunteers, agents and representatives, from third-party claims, and from documented fines, penalties, charges, repair or clean-up costs, losses, damages and reasonable legal costs actually imposed on or suffered by them, to the extent arising from the Exhibitor's use of the Exhibit Space; its activities, personnel, contractors, equipment, products, displays, demonstrations or Restricted Items; its negligence or wilful misconduct; its breach of this Agreement; its infringement of rights; or its failure to comply with law. This indemnity does not apply to the extent a loss is caused by the negligence or wilful misconduct of the party seeking indemnity, and liability is shared in proportion to fault.

21.2 Indemnity procedure. A party seeking indemnity must notify the Exhibitor promptly of a claim; delay reduces the indemnity only to the extent it causes prejudice. The Exhibitor may control the defence with counsel reasonably acceptable to the indemnified party, which may participate at its own cost. The Exhibitor may not settle a claim in a way that admits fault by, or imposes an obligation on, an indemnified party without its written consent, which will not be unreasonably withheld.

21.3 Release and property risk. To the maximum extent permitted by law, the Exhibitor assumes the risk of loss of or damage to its property and releases the Organizer, the Venue Operator and The City of Calgary, and their directors, officers, employees and agents, from claims arising from telecommunications, internet, utility or other service failure or interruption, and from loss of or damage to property brought to the Venue, except to the extent liability cannot lawfully be excluded or the loss is caused by the released party's gross negligence or wilful misconduct.

21.4 Organizer liability cap. To the maximum extent permitted by law, the Organizer's aggregate liability for damages arising from this Agreement will not exceed the greater of the Fees paid and the Fees payable under the Booking Form, so that the cap applies fairly to an Exhibitor paying under a post-Event public-sector arrangement. The Organizer is not liable for indirect, incidental, special, consequential or punitive damages, or for loss of profits, revenue, opportunity, data or goodwill.

21.5 Exclusions from the cap. Sections 21.3 and 21.4 do not limit (a) express refund, credit or repayment obligations, which are payment obligations; (b) liability for fraud or wilful misconduct; (c) liability for bodily injury or death caused by negligence; (d) privacy or data obligations to the extent they cannot lawfully be limited; or (e) any other liability that applicable law does not permit to be excluded or limited. No party may recover the same loss twice.

21.6 Venue and City protections. Nothing in this Agreement reduces any protection, indemnity, release or insurance right of the Venue Operator or The City of Calgary under the Organizer's Venue agreement or applicable law. The Organizer's rights against the Exhibitor under this Article flow through losses attributable to the Exhibitor without making the Exhibitor responsible for unrelated Organizer conduct.

22. Damage and Environment

22.1 Damage. The Exhibitor must leave its Exhibit Space and Venue property in the condition received, reasonable wear excepted, and is responsible for reasonable documented repair costs for damage caused by the Exhibitor or its personnel. Venue post-Event inspection records and photographs may be used as evidence of condition and damage but are not conclusive where the Exhibitor provides reasonable contrary evidence. Supporting documentation for a material damage charge will be provided on request.

22.2 Waste and environment. The Exhibitor must take reasonable steps to prevent environmental damage, remove its waste, packaging and hazardous materials, and pay reasonable documented clean-up, disposal or remediation costs caused by its activities.

23. Compliance with Laws and Business Integrity

23.1 Laws and permits. The Exhibitor must comply with applicable federal, provincial and municipal law and obtain the permits required for its participation.

23.2 Inspections. The Exhibitor must permit reasonable inspection of its Exhibit Space by the Organizer, Venue Operator, fire or safety officials and other competent public authorities acting within their lawful mandate.

23.3 Anti-corruption. The Exhibitor may not offer, give or receive a bribe, kickback or improper benefit in connection with the Event and must comply with applicable public-sector gift and hospitality rules.

23.4 Sanctions. The Exhibitor may not involve a person or entity in the Event in a manner prohibited by Canadian sanctions law.

24. Default and Removal

24.1 Default and cure. If the Exhibitor fails to pay when due, materially breaches this Agreement, becomes insolvent, or engages in unsafe, unlawful, fraudulent, threatening, discriminatory or materially disruptive conduct, the Organizer may suspend or terminate affected rights. Except where immediate action is reasonably required for safety, security, illegality, a Venue or public-authority direction or material disruption, the Organizer will give written or verbal notice and a reasonable opportunity to cure. Fee consequences will reflect the cause and the portion of purchased benefits already delivered.

24.2 Removal not caused by Exhibitor. If removal, closure or loss of a material deliverable results solely from a Venue or public-authority direction and is not caused by the Exhibitor's breach, the Organizer will apply Article 6 and provide substitute deliverables, a proportionate credit or a refund rather than forfeiture.

24.3 Enforcement costs. Except as modified by Schedule 4, a party in material breach is responsible for reasonable documented collection or enforcement costs to the extent recoverable by law. This does not create an automatic entitlement to full-indemnity legal fees.

25. General

25.1 Governing law and jurisdiction. This Agreement is governed by the laws of Alberta and the federal laws of Canada applicable in Alberta. Subject to Schedule 4 and mandatory law, the parties submit to the courts of Alberta sitting in Calgary.

25.2 Assignment. The Exhibitor may not assign this Agreement or transfer its Exhibit Space without the Organizer's prior written consent and any required Venue approval. The Organizer may assign this Agreement to a successor or affiliate only where doing so does not reduce the Exhibitor's purchased rights and any required Venue approval is obtained.

25.3 Relationship. Nothing in this Agreement creates a partnership, joint venture, agency, employment or landlord-tenant relationship.

25.4 Entire agreement and amendments. This Agreement is the entire agreement on its subject matter. Commercial changes require written agreement. Necessary Venue, safety or operational updates, including updates to the Exhibitor Manual or Venue Rules, may be issued on written notice but may not retrospectively change an agreed price or remove an accrued refund or purchased benefit except as this Agreement expressly permits.

25.5 Notices. Notices must be in writing. Cancellation, reduction and other commercial notices to the Organizer are governed by Section 5.1. Other notices to the Organizer are sent to registration@indigisec.com, with a copy to any notice address in the Booking Form. Notices to the Exhibitor are sent to the notice email in the Booking Form. The receipt and timing rules in Section 5.1 apply to all notices.

25.6 Severability and waiver. An invalid provision is severed to the minimum extent necessary and the rest remains effective. A waiver must be in writing and applies only to the matter expressly waived.

25.7 Survival. Payment, cancellation, intellectual property, privacy, insurance, liability, damage, enforcement and general provisions survive to the extent necessary to give them effect.

25.8 Electronic signature and records. This Agreement may be signed in counterparts and by electronic signature or approved online acceptance. The Organizer will send the Exhibitor a copy of the accepted Agreement and record the version accepted, the date, and the name and title of the person who accepted it for the Exhibitor. The Exhibitor consents to receiving notices, invoices and Agreement documents electronically.

25.9 Language. The parties have requested that this Agreement be drawn up in English. Les parties ont exigé que la présente convention soit rédigée en anglais.

Schedule 1: Key Dates and Deadlines

All times are Mountain Time (Calgary).

Item	Deadline
Deposit	50% of Fees plus GST on acceptance
Restricted Items Disclosure Form (Schedule 3)	December 1, 2026; later bookings before acceptance or payment and no later than January 15, 2027
Last day to cancel at 50%	5:00 p.m., December 17, 2026
Certificate of insurance and business licence, permit, registration or exemption	January 8, 2027, or written deadline for a later booking
Hosted food, beverage, reception and sampling requests	January 8, 2027
Exhibitor contractor information	January 8, 2027
Sponsor logos and materials	January 15, 2027, or Package Schedule deadline
Balance of Fees	January 17, 2027 (bookings accepted on or after this date pay in full on acceptance)
On-site sales requests	January 22, 2027
Booth services (power, internet, etc.)	Through the BMO Centre online portal by its published deadlines
Booth staff names for credentialing	February 1, 2027
Corrected insurance or licence documents	February 5, 2027
Hall C move-in	February 16, 2027 from 08:00 by assigned slot
Other Event spaces	Published contracted access period only, unless separately approved
Event dates	February 17–18, 2027
Move-out complete	22:00, February 18, 2027, unless an earlier deadline is published

Schedule 2: Insurance Instructions

S2.1 Required coverage. Commercial general liability insurance with a limit of at least CAD $2,000,000 per occurrence, or any higher limit the Organizer states in writing before acceptance on its broker's or the Venue Operator's advice.

S2.2 Additional insured. IndigiSEC Defence & Security Inc.

S2.3 Coverage period. Must include move-in, Event days and move-out: February 16 through 18, 2027.

S2.4 Endorsements. Where stated by the Organizer in writing on its broker's advice: primary and non-contributory wording in favour of IndigiSEC, cross-liability or separation of insureds, waiver of subrogation in favour of IndigiSEC, and products and completed-operations coverage for Exhibitors displaying products. IndigiSEC is separately responsible for satisfying the additional-insured requirements of its Venue agreement under its own Event policy.

S2.5 Other coverage. The party carrying out an activity is responsible for applicable workers' compensation and automobile liability requirements. Specialist coverage for Restricted Items and higher-risk activities is set under Section 20.5. Approval of an activity does not by itself confirm insurance coverage.

S2.6 Submission. Send the COI and business licence, permit, registration or exemption to registration@indigisec.com with the Exhibitor's legal name and booth number.

S2.7 Review and correction. The Organizer follows these steps for each certificate:

1. The Exhibitor emails its COI and licensing evidence by January 8, 2027 (or the later-booking deadline).
2. The Organizer checks the limit, IndigiSEC additional-insured wording, coverage dates and any required endorsements within 5 business days.
3. If anything is missing, the Organizer emails a deficiency notice listing each item to correct.
4. The Exhibitor sends a corrected document by February 5, 2027, or within 5 business days of the notice for a later booking.
5. The Organizer confirms acceptance in writing. Move-in clearance is not issued until the COI and licensing evidence are accepted.

S2.8 Licensing evidence accepted. Any one of the following satisfies Section 20.4:

Evidence	Examples
Business licence or permit	City of Calgary licence or permit, where one applies to the Exhibitor's activity
Business registration	Alberta, other provincial or federal corporate or business registration
Nation-issued registration	Business registration or licence issued by a First Nation, Métis or Inuit government
Charitable or not-for-profit registration	CRA charity registration or society registration
Approved written exemption	A short explanation of why no licence, permit or registration is required, approved by the Organizer
Government body	Declaration of government status in the Booking Form

Schedule 3: Restricted Items Disclosure Form

Submit by December 1, 2026 for bookings accepted by that date. For later bookings, disclose any material Restricted Item before final acceptance or non-refundable payment for the display, and no later than January 15, 2027 unless an exceptional written extension is granted. Complete one row per item. No item may be brought to the Venue until the required written approvals are obtained.

Item / model	Category	Qty	Controlled / export controlled?	Security / handling plan

Controlled Goods Program registration number or exemption basis, if applicable: _____

Access-control plan for controlled goods or data attached (Section 11.4): ☐ Yes ☐ No ☐ Not applicable

Responsible person on site (name and phone): _____

Drone authorization or SFOC reference, if any flight is requested: _____

Vehicle or heavy display details: dimensions, total weight, point loads, access plan, fuel or battery information and floor protection.

The Exhibitor confirms that no live ammunition, live ordnance or explosives will be brought to the Venue.

Authorized signature: _____ Name / title: _____ Date: _____

Schedule 4: Government / Indigenous Government Participation Rider

When this Rider applies. This Schedule applies where the Exhibitor is the Crown; a federal, provincial, territorial or municipal public body; a First Nation, Inuit or Métis government or other Indigenous government body; or another entity whose governing law limits the contractual authority assumed in the main Agreement.

S4.1 Authority. Each signatory represents only that they have authority to bind their organization to the extent permitted by its governing law and delegated authority.

S4.2 Indemnity and legal costs. Sections 21.1, 21.2 and 24.3 apply only to the extent the Exhibitor is lawfully authorized to give an indemnity or pay such costs. Nothing waives any Crown, statutory, treaty, Aboriginal, governmental or other immunity or right that cannot lawfully be waived by contract.

S4.3 Payment. Section 4.6 applies only to the extent permitted by law. Where the Exhibitor is subject to public-sector accounts-payable rules, the Booking Form must state the agreed payment terms, including the actual due date or mechanism (for example, "payment within 30 days of receipt of a post-Event invoice"). A general reference to a government exception is not sufficient. The rest of the Agreement is unchanged.

S4.4 Insurance and self-insurance. The Exhibitor may satisfy Article 20 through a lawful self-insurance or statutory risk arrangement, evidenced in writing and accepted by the Organizer and Venue Operator. A business licence, permit, registration or exemption is not required. Specialist-risk requirements remain subject to written approval.

S4.5 Jurisdiction and disputes. Section 25.1 does not waive any statutory jurisdictional rule or immunity that cannot lawfully be waived. The parties will try in good faith to resolve disputes through senior representatives before starting proceedings.

S4.6 Priority. If this Schedule conflicts with the main Agreement, this Schedule prevails for the eligible government or Indigenous government Exhibitor.

Schedule 5: Package Schedule

Complete one Package Schedule for each booking. It forms part of the Agreement and governs over the prospectus.

Field	Details
Exhibitor / Sponsor	
Package name	
Package Schedule date	
Prospectus version relied on	
Exhibit Space	Booth number, dimensions, location, or "None – sponsorship only"
Booth inclusions	Furniture, carpet, power, signage, construction (or "None")
Passes included	Number and type, including meal and reception access
Exclusivity	Category, asset and period, if any
Production duties and deadlines	Who produces each asset and by when
Approvals required	Venue, Organizer or authority approvals still pending
Additional charges	Any services not included

Deliverables and allocated values (used to calculate any partial refund or credit)

Deliverable	Location / timing / duration	Allocated value (CAD, before GST)
Total (equals Fees)		

The package does not include attendee registration data, speaking rights, procurement outcomes, Venue-exclusive services or any right the Organizer cannot grant, unless expressly listed above.

Accepted for the Exhibitor / Sponsor: _____ Date: _____

Accepted for the Organizer: _____ Date: _____

Schedule 6: Controlled Documents Acknowledgment

The following documents form part of, or are referred to in, this Agreement. The Organizer will fill in the version and date of each before acceptance. The Exhibitor confirms it has received or been given access to each.

Document	Version	Date	How provided
Exhibitor and Sponsor Agreement	2.3	November 16, 2026	Attached
Package Schedule (Schedule 5)			Attached
Exhibitor Manual			Link or attachment
Calgary Stampede Event Planning Guide (Venue Rules)			Link provided by the Organizer
Insurance Instructions (Schedule 2)	2.3	November 16, 2026	Attached
Attendee Terms and Admission Policy	2.2	November 16, 2026	Link: https://indigisec.com/attendee-terms

Later operational updates to these documents may be issued on written notice under Section 25.4 but cannot change the agreed price or remove an accrued refund or purchased benefit.

Acknowledged for the Exhibitor: _____ Name / title: _____ Date: _____

Schedule 7: Exhibitor Onboarding Checklist

Your booth is cleared for move-in only when every item below is complete.

Step	What you provide	Deadline	Organizer confirms
1. Agreement	Signed Booking Form, Package Schedule and Schedule 6	At booking	Written acceptance
2. Deposit	50% of Fees plus GST	On acceptance	Funds cleared
3. Restricted Items	Schedule 3, if applicable	December 1, 2026 (later bookings: before acceptance, no later than January 15, 2027)	Written approval per item
4. Insurance	COI meeting Schedule 2	January 8, 2027	COI accepted
5. Licensing	Licensing declaration and evidence under Section 20.4	January 8, 2027	Evidence or exemption accepted
6. Regulated activities	Requests for food, sampling, alcohol, tobacco, demonstrations, drones or hosted functions	January 8, 2027	Written approval per activity

7. Balance	Remaining Fees plus GST	January 17, 2027	Funds cleared
8. Booth services	Orders through the BMO Centre online portal	Portal deadlines	Not applicable (ordered directly)
9. Personnel	Booth staff names for credentialing	February 1, 2027	Credentials issued
10. Move-in clearance	All of the above complete	Before February 16, 2027	Move-in slot confirmed
